Taxes

Income taxes and other deductions are taken from your pay cheques by your employer. These income taxes are used by the government to provide essential services such as roads, schools, and health care.

Canadian residents can benefit in many ways from programs that have been paid for through their income taxes and deductions. These programs include social assistance for people in need, employment insurance for workers who have lost their jobs and worker's compensation for workers injured on the job.

For information on Saskatchewan's taxation regime, visit:
